Profile

An undergraduate student pursuing a Bachelor of Science in Building Engineering and Construction Management. I have an interest in participating competitions to challenge problem solving skills and foster creativity

Achievements

2020

Internation Youth Math Challenge

Achieved Bronze Medal

It was an exciting experience where I had the chance to apply my analytical and problem-solving skills on a global stage. It was very rewarding to see my efforts get recognised.

2024

ISSB 91BAFA long Course

Achieved Green Card

I was really proud to achieve a green card in the Inter Services Selection Board. Earning the green card was a significant personal achievement, as it reaffirmed my ability to perform under pressure and adapt to challenging situations.
